THE SPEAKING LAST NIGHT. The large assemblage of people in attendance at the Opera House last night was a well deserved tribute to one of the most effective public speakers of our State. There were fully 8000 people present, all of whom hung upon the words of the speaker, who never acquitted himself more becoming his great reputation. Mr. ETHERIDGE fairly and candidly explained the position of the Democracy of Tennessee, and in the few words he addressed to the negroes he becomingly suggested to them that their best policy was that which dictated the most friendly fraternization with the superior race. In another place we give a synopels of his speech to which we refer our readers, regretting that want or space forbids the fuller report Mr. Era-ERIDGE's masterly effort deserves. His appointments are as follows: Thursday, October I, at Covington; Saturday, October 3, at Ripley; Monday, October 5, at Brownsville; Wednesday, October 7, at Somerville; Friday, October 9, at at Somerville; Friday, October 9, at "hardly cast over 500,000 votes, which "An act to enforce the XIIIth article of the Constitution of Louisiana," which is Trenton; Saturday, October 17, at Dy-
